

Materials:

- Black construction paper
- White construction paper
- Tempera paint
- Brushes
- Glue
- Scissors
- Pencils
- Newspaper

Directions

- Cover your work area with newspaper.
- Cut black construction paper into 6" x 6" squares.
- Cut white construction paper into 6" x 6" squares.
- Dab Tempera paint onto white paper to make an interesting design.
- Let paint dry.
- Fold black paper in half once and in half again.
- Fold from corner to corner.
- Draw and cut out an interesting pattern from your folded black paper. Be sure to leave some of the edges uncut.
- Open up black paper, and glue it over your painted design.
- Cut away any excess white paper to fit the black pattern.
- Display your work of art or hang your design in a window.
