

Mirror Stamps of Insects

National Core Arts Standards

Creating, Anchor Standard 1

Generate and conceptualize artistic ideas and work.

Creating, Anchor Standard 2

Organize and develop artistic ideas and work.

Creating, Anchor Standard 3

Refine and complete artistic work.

Objective

Bring these bugs to life! Students will learn to create colorful, symmetrical bugs using a creative stamping technique. This project gives students the opportunity to work with two types of paint as well as other materials.

Activity

1. Take a sheet of Prang® Mixed Media Journal paper out of the journal. Trim away the frayed edge so the paper measures 8 inches wide by 11 inches tall and print one of the insect templates onto it.
2. Paint the entire insect using Prang® Oval 8 Watercolors. Let dry.
3. Cut out the insect using some scissors.
4. Fold the insect in half and open again, creating a crease.
5. Paint designs on half of insect using Prang® Washable Ready-to-Use Tempera Paints.
6. Fold the insect in half, pressing the painted side down lightly onto the unpainted side. Unfold and let dry.
7. Using Prang® Sketcho Oil Crayons or Prang® Markers, complete your insects with final details.
