

Multimedia Animals

National Core Arts Standards

Creating, Anchor Standard 1

Generate and conceptualize artistic ideas and work.

Creating, Anchor Standard 2

Organize and develop artistic ideas and work.

Creating, Anchor Standard 3

Refine and complete artistic work.

Objective

Students get creative with color when they create abstract animals in the wild. This multimedia project lets students experiment with several different materials and techniques.

Activity

1. Take a piece of mixed media paper and cover your paper with dots of Prang® Washable Ready-to-Use Tempera Paints in the colors you would like your animal to be. Place the Creativity Street® Paint Scrapers, squeegee, or cardboard piece at the top of the paper and slowly pull across the paper to spread the paint. Let the paint dry.

---OR---

- Take a piece of mixed media paper and color your paper with dots of Prang® Watercolor Pencils in the colors you would like your animal to be. Take a paint brush and drop dots of water onto the dots of colors drawn on the paper. Place the Creativity Street® Paint Scrapers, squeegee, or cardboard piece at the top of the paper and slowly pull across the paper to spread the paint. Let the paint dry.
2. Cut out the desired animal using the provided silhouette template and trace with a pencil. Cut the animal out with some scissors.
 3. Using construction paper colors of your choice, build the environment it lives in around it. Glue the animal and the environment pieces to the construction paper of your choice.
